## Certifications & Courses

### **AWS Cloud Practitioner - 2023**

The AWS Certified Cloud Practitioner offers a foundational understanding of AWS Cloud concepts, services, and terminology. This is a good starting point for individuals in non-technical roles with no prior IT or cloud experience or for those with on-premises IT experience looking for basic AWS Cloud fluency. This certification can give candidates the confidence to tackle role-based AWS Certifications.

### **BATELCO STEM LEADERSHIP SUMMER CAMP 2020**

The virtual program, run in conjunction with BRINC Batelco and Clever Play, was established with the goal of developing young leaders by giving them the necessary mindset, knowledge, and capacities to succeed in the present and future business environment.

### **INJAZ BAHRAIN - HEAD START WORKSHOP**

The Head Start curriculum focuses on three important areas: creating a professional CV, getting ready for interviews, and finding internships.

where the course shows participants how to use all of these abilities in a professional setting and gives them advice on how to create a successful, bright future.
